Dear Sir/Madams,

Statement of Block Bug System LLC regarding some media publications, intentionally distributing of untruthful information

Recently ambiguous electronic media resources and unknown authors have published information with head-notes, resembling accusation, authors of which attempt to disfigure a nature of activity of Block Bug System LLC and connect it indirectly with commitment of so-called ‘questionable activity’.

Particularly such publications were spotted on following links: <http://polygraf.net/>, <https://ord-ua.com/> and are spread by unknown persons within social networking sites on behalf of unidentified social organization unrelated to transport- forwarding services and fumigation.

Hereby we inform you that distributed in such manner information is absolutely wrong and untruthful, and discredits business reputation of Block Bug System LLC. Such planted rumors and versions are aimed at deluding of our customers and partners of the company with damaging of business standing, and are intrigues of unscrupulous competitors.

The scope of activities of our Company is strictly regulated by requirements of the Law of Ukraine.

In the course of business activity we strictly comply with high standards level of services, adhere to ethical rules, requirements of active Ukrainian Law, international treaties, ratified by Ukraine, act in accordance with good business practices, as well as conform to the Regulations of the anti-corruption policy, established at our Company.

Block Bug System LLC holds membership in such international organizations as GAFTA and FOSFA, cherishes its business standing and confidence placed by our Partners.

We carry out a due-diligence of all new and potential customers, corresponding to standards and recommended practices, as well as personally correspond to own internal regulations sometime exceeding existing rules and standards of other companies.

There are no facts which could prove credibly conclusions of so-called ‘questinable business activity’ of Block Bug System LLC.

We deeply regret that foes take such measures. We hope that situation will be resolved in the nearest future and undertake actively all possible legal measures in the prevention of distribution of such information, protection of rights and interests of Block Bug System LLC with usage of all legally provided means of such defense.

Yours Faithfully,
Vasiliy Padalka
